2020-2021

WELCOME TO AKSIPS SESSION 2020 - 2021

The school continues to march ahead and climb the ladder of success. Continuing with its tradition of imparting quality education, we once again welcome you to this great institution which is a temple of learning for the young and innocent minds.

What sculpture is to a block of marble, education is to a human soul. A human soul without education is like a marble in quarry which shows none of its inherent beauties until the skillful sculptor fetches out the colours and makes the surface shine.

Education is not just the mastering of languages but is found in that moral training which extends beyond the class room to the playground and the street.

"Just in Time" is the technique that has shown the world the path to success. We also believe that a well planned schedule would assist the parents and the teachers to help the pupils realize their true potential.

The following pages would give you an insight of the programme chalked out for the session 2020 -2021 regarding :

- 1) **Course of Study :** The bifurcated syllabus has been provided to assist the students to enhance their performance. The same has been done by keeping the past track record of the students in mind.
- 2) **List of stationery and books:** They have been included in the syllabus booklet for your convenience on the basis of the actual requirement.
- 3) **List of Activities :** Each movement spent in idleness by a student weighs upon our conscience just as the deliberate delay in promoting human development delays perfection. So, co-curricular activities are organized by the school to groom the students to become wholesome individuals who can survive in a competitive environment and face the challenges in future.
- 4) **List of Holidays:** The school pre-plans and communicates the list of holidays so that the students, parents and teachers can plan their schedule well in advance for the whole year.
- 5) **Revision Schedule :** There will be no formal examination in Pre-Primary. However revision assessment will be done after each topic is completed. Assessment of all the subjects will be taken up twice in a year i.e. September and at the end of the session in March. Grading system will be followed .

LIST OF STATIONERY 2020-2021 PLAYWAY

S. No.	Item	Quantity
1.	Four Lined Stroke Book	1
2.	Math Stroke Book	1
3.	Scrap Book	1
4.	Colored Drawing Sheets	1pkt
