CF/1488

DATED:08/09/2023

TO WHOM MAY IT CONCERN

Client: - Ajit Karam Singh International Public School, Sector:41,
Chandigarh.

It is certified that I have personally visited the School premises of Ajit Karam Singh International Public School, Sector:41, Chandigarh along with the representative of the management Mr. Ramdhan. The Structural has been designed as a Composite structure i.e Brick load bearing walls with intermediate RCC Columns and Beams and the same had been constructed in year 1991-92.

As per my visual inspection, the Building is constructed as per sanction plan upto 3rd Storey in Main Structure and G+1 in front auditorium. The same is Structurally safe and sound and there is no deflection crack or any type of deformation in the Structure. The Building is fit and safe for a school building. This certificate is valid for a period of One year.

For Continental Foundations

Prop.

(VIKAS BHARDWAJ)

I am Sorry !!!!!
