

## FOUNDER OF AKSIPS

Miss Ajit Karam Singh, founder of International Public School needs no introduction. An eminent educationist and an able administrator of vision and initiative, Miss A Karam Singh was the recipient of the National Teachers' Award. Unfortunately, she is no more in the world but has left behind her guidelines of devotion to duty to inspire others. She had a varied experience of running and establishing various schools in the northern region. International Public School was her dream which came true in the year 1983 and is being run under the auspices of an Educational Charitable Trust i.e. National Educational Development Trust (NEDT).
